Dear Georgia Coffey,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a sewer customer of Blue Granite Water Company, formerly operating as Carolina Water Service. My husband and I are retired and live on a fixed income. My Husband and I make up the only occupants in our household.

2. Please give a concise statement of your protest, * (This section must be completed. Attach additional information if necessary.)

When this company transacted business as Carolina Water Service they were hit with multiple fines from the Environmental Protection Agency. They incurred a fortune in legal fees to protest their illegal dumping of sewage into our rivers. I don't know if changing their name to avoid a previous bad reputation and legal fees resulting in fines levied against them cleared them or not. I feel it has not improved their situation and obligations to our community. As a customer I resent paying for bad corporate decisions that I have NO CONTROL OVER.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
